

Mackenzzy

DOB: July 11, 2001

Mackenzzy is a friendly girl who enjoys spending time with other children. She enjoys being active and has played on a basketball team in the past. She enjoys swimming, roller skating and listening to music. Mackenzzy is good with animals. Mackenzzy has a relationship with her biological sister and some of her relatives. She likes to visit them and talk on the phone. It would be important for Mackenzzy to maintain these relationships as well as maintaining contact with her former foster parents.

Mackenzzy earns good grades in school but struggles with reading and math. She has an IEP due to her diagnosis of Cerebral Palsy. She has experienced significant abuse and neglect in her life and requires close supervision of her interactions with others. She is currently placed in a residential treatment center to help her work through the trauma that she has experienced. She needs a family who is willing to participate in counseling services as well.

If you are interested in providing a permanent home for Mackenzzy, please contact the Lake County Department of Job and Family Services, Foster Care and Adoption Hotline at (440) 350-4218.
